                  DEPOSITION OF TRICIA DINKELMAN,  
21 taken on behalf of the Plaintiffs, at the offices of  
22 Armstrong Teasdale L.L.P., 7700 Forsyth Boulevard,  
23 Suite 1800, St. Louis, Missouri, on the 24th day of  
24 October, 2012, before Gretta G. Cairatti, RPR, CRR,  
25 MO-CCR #790, IL-CSR #084-003418, and Notary Public.

1 Plaintiff's Exhibit 2 of Miss Hall's deposition.

2       **A**     Okay.

3       **Q**     Take a look through those documents. Have  
4 you had a chance to look at those?

5       **A**     Yes.

6       **Q**     Those documents, are they disseminated to  
7 the -- all of the subsidiaries that are circled on  
8 the organizational chart?

9       **A**     Centene Corporation would not know which  
10 subsidiaries use those documents.

11       **Q**     Why not?

12       **A**     Because Centene Corporation doesn't have any  
13 employees and that level of information isn't known  
14 by the Board of Directors.

15       **Q**     You're here as the corporate representative  
16 of Centene Corporation. Have you made any effort to  
17 find out the answers to the areas that you knew you  
18 were going to be asked about today?

19       **A**     Yes.

20       **Q**     Okay. Did you make inquiry to any of the  
21 subsidiaries about documents they receive and so  
22 forth?

23       **A**     I did not call individuals at the  
24 subsidiaries, no.

25       **Q**     Why not? You knew I was going to ask you

1 about it. Why didn't you find out?

2           **MR. LANGENFELD:** Look, here's the deal,  
3 Mr. Kaiser. We've travelled from Austin to take  
4 this deposition, and it is a 30(b)(6) deposition, as  
5 you've reminded me repeatedly. And within the rule,  
6 the person designated shall testify as to matters  
7 known or reasonably available to the organization.

8           Centene Corporation is the parent of each  
9 and every one of those, and this witness has just  
10 told me she's not made any effort to find out the  
11 answers to these questions. So we'll --

12           **MR. KAISER:** I don't agree with that  
13 characterization because I think if you look at each  
14 and every question, the question is always asked in  
15 terms of people who were employed by Centene  
16 Corporation. We have a --

17           **MR. LANGENFELD:** Or its subsidiaries.

18           **MR. KAISER:** We have a separate -- we have a  
19 separate designation for Centene Corporation, for  
20 Superior Health Plan, for Centene Company of Texas,  
21 and Centene -- the Centene Corporation doesn't have  
22 to answer or investigate questions that it wouldn't  
23 know that might be held by one of its subsidiaries.

24           Its answer, and I think we've made this  
25 clear even before you travelled this far, was that
